

Endorsement #1: SOAWatch

Create a standing endorsement for actions and events sponsored by SOAWatch.

Background

NWTRCC currently has standing endorsements for the following groups: Campaign Nonviolence (Nov 2015), World Beyond War (May 2014), Ally to US Social Forum (May 2014), Conscience and Peace Tax International (Nov. 2012), Peoples Charter to Create A Nonviolent World (May 2012), Global Day of Action on Military Spending partner (2012), United for Peace and Justice (before 2008)

Instead of needing to take up meeting time every year to endorse SOAWatch actions and events (which we have always approved), this standing endorsement would save us precious meeting time.

*-Submitted by Lincoln Rice* (but many others have mentioned this idea since I became the NWTRCC Coordinator).
